

SECOND ANNOUNCEMENT

Dear colleagues,

Dear hand surgeons, hand therapists, nurses, students, and partners from the industry,

We cordially invite you to attend this year's SSSH Congress in Wonderful Copenhagen!

It will take place from August 21st to August 23rd at Copenhagen University Hospital in Herlev. We have put together a fantastic scientific and social program.

Sessions will include invited lectures and free papers on surgery and rehabilitation. There will be time dedicated to interesting discussions. The list of invited speakers includes leading experts securing the highest scientific level of this meeting.

The overall themes of the meeting will be “Scaphoid Injuries” and “The Psychological Factors of Treating Hands”, and some of the talks will revolve around controversies of “Digital nerves”, “Evidence-based treatments” and “Complications” in hand surgery and rehabilitation. Prof. Jin Bo Tang will give the Moberg lecture entitled “Flexor tendon surgery in the hand: dogmas, challenges and current practice”, and we organized sessions on what’s new in the treatments of “Distal Radius Fractures in elderly populations” and “TFCC injuries”.

Besides access to all sessions, the congress fee includes the welcoming ceremony at Copenhagen City Hall. The tickets for the congress highlight - Dinner and Dance Party - at Charlottenlund Fort Restaurant on a majestic Copenhagen summer night with a magnificent sea view will be available on a first-come-first-served basis.

Besides the societies for Hand Surgery and -Therapy in the Nordic and Baltic regions, we invited a guest society, the Polish Society for Surgery of the Hand. However, do not hesitate, if you are interested in attending: participants from all other countries are warmly welcome! All presentations will be in English.

The preliminary program is available at www.sssh2024.dk, the abstract submission is open on the website, and the registration will soon be announced!

Do not miss this opportunity for educational exchange and social interaction with colleagues and friends. Come and visit Copenhagen for a couple of inspiring days at a time of the year when Copenhagen is at its best – late summer, in August.

We, the members of the Organizing Committee promise you a wonderful experience!
